

## Unwritten Essay Project Rubric

<b>Rationale</b>	A/B Range	B/C Range	C/D Range
Depth of understanding	Thorough discussion and understanding of significant aspects of the important questions, ideas, and issues discussed	Satisfactory discussion and understanding of significant aspects of the important questions, ideas, and issues discussed.	Minimal discussion and understanding significant aspects of the important questions, ideas, and issues discussed.
Critical Analysis	Thorough and in-depth analysis of the ideas, central questions, etc. discussed	Thoughtful analysis of the ideas, central questions, etc. discussed, but with some room to expand.	Minimum analysis of the ideas, central questions etc. discussed, with much room to expand.
Supporting evidence	2-3 quotes/examples from course materials included in work. All are well explained and connected.	1-2 quotes/examples from course materials included in work. All are well explained and connected.	0-1 quotes/examples from course materials included in work. All are well explained and connected.
Focus, organization & connection	Artist Statement clearly states focus of project; sentences organized and flow. Rationale explains and is clearly connected to the creative project.	Focus of project could be clearer; sentences need to connect to one another better. Rationale is connected to project but this could be clearer.	No stated focus; little/no organization  No clear connection between the rationale and the creative project.
Spelling/grammar	Excellent (few to no errors)	Good (some errors)	Poor (many errors)
<b>Creative work</b>	Creative work is detailed, thoughtful, and the result of much time and effort	Creative work is detailed, but more time and careful thought could have been invested	Creative work lacks detail/description and appears to have been thrown together quickly
